#### **ASM International**

#### **Materials Park, OH**

Veronica Becker is a senior executive and financial professional with over twenty years enhancing processes and guiding financial departments for both public and nonprofit organizations.

She started her career as Division Business Manager for VNU Business Publications USA, leading two media divisions, totaling \$90 million in revenue. Veronica went on to financial leadership positions at The McGraw-Hill Companies and Time, Inc.

In 2009, Veronica became Controller of ASM International. As senior member of the financial management team, she managed banking and investments of \$33.75 million, \$1 million in annual capital purchases and joint venture projects. In 2015 Veronica assumed role of CFO, increasing investment portfolios, achieving financial stability during the pandemic, and consolidating and reducing debt.

In 2023, Veronica became CFO of Universal Screen Arts in Hudson, Ohio where she leads the Finance, Information Technology, and Human Resources teams.

Veronica is a graduate of the University of Wisconsin and holds an M.B.A. from New York University, Leonard School of Business.

She is a member of American MENSA and a co-founder of Heritage farm and Apiary, LLC.

Veronica is a volunteer with the Girl Scouts of Northeast Ohio for more than 10 years, serving as both a Troop Leader and a Service Unit Director.
