

Rahul Gupta **Trustee (2024-2027)**

Rahul Gupta
Managing Director
N D Gupta Enterprises
Pune, Maharashtra
INDIA

Rahul Gupta is the owner and managing direction of ND Gupta Enterprises Pvt. Ltd. They specialize in heat treatment processes and manufacturing of steel castings.

Rahul Gupta graduated in Metallurgy from College of Engineering Pune in the year 1984. He completed his Masters in Engineering in 1989, having worked on Super Conductivity.

He has experience in Heat treatment, Surface treatment, Steel making and Foundry technology. He has focused a lot on the development of Austempered Ductile Iron (ADI). In 2017 he designed and installed a continuous ADI furnace which received the Innovation award from ASM India Council. He has presented numerous papers on ADI, Heat treatment of tools and Nitrocarburizing at various conferences.

He is very passionate about steel making. At his foundry, he specializes in making challenging steel castings that demand properties such as high wear resistance and corrosion resistance.

He specializes in techno commercial analysis of metallurgical processing, thermal analysis, heat treatment, furnace design, foundry technology, wear parts, corrosion resistance , Non destructive testing.

Rahul has been an active member of ASM Pune Chapter since 2003. He has served as the Chairman, Vice chairman, Secretary and Treasurer . He has coordinated various events and workshops for ASM. He is a regular faculty for Chapter training programs on corrosion, failure analysis, casting, heat treatment and metallurgy for the non-metallurgist for more than 10 years.

He is also visiting faculty for metallurgy at Automotive Research Association of India (ARAI) and various engineering institutes. He has sponsored and supported many projects of engineering students. He has also helped them pursue a career in engineering by facilitating internship opportunities.

He has received Presidential citation and Medal at the hands of Dr. Fredrick E. Schmidt in 2018 and Chapter Volunteer award at the hands of Mr. Jon Tirpak in 2016 for exemplary services towards ASM. Recently he has received "Outstanding Alumni award" from College of engineering Pune.
