

EDFAS CAREER CONNECTIONS

Thank you for registering to attend ISTFA 2026!

During the conference, be sure to check out the ASM Career Connections program where you will have the opportunity to speak with exhibitors who are actively hiring. You will find a list of participating organizations in the conference app and be able to visit them on the show floor.

How do I register?

No additional registration is required. Access to the ASM Career Connections Program is included with your conference registration.

Ready to participate?

Visit your app store and search for ISTFA 2026. Download the app to stay connected. Available for Apple and Android devices.

Pro-Tip:

After the show, visit the [ASM Career Center](https://asminternational.org/career-center) to create a job seeker account, upload your resume, and view open jobs.

Tips for maximizing your participation:

- Access the conference app to see a list of participating exhibitors. Make note of their location in the Exhibit Hall and the days/hours the Hall is open.
- If you see an organization you are interested in, research them to better understand their mission and products/services.
- Come prepared with copies of your resume/CV.
- Craft and practice your [elevator speech](#).
- If you have some available, bring your business cards.
- Get contact information from those you talked with and follow-up via thank you notes or emails.
- Come with an open mind — you may find a job opportunity in an unexpected place or with an organization you didn't originally consider!
