

**Lucas Lurger – Sales Director, Hardness Testing, QATM (Verder Group)**

Lucas Lurger began his career in mechanical engineering after completing his degree in 2010. He joined QATM in 2011, contributing his expertise to the mechanical engineering team. His leadership skills and technical insight led to his promotion to Team Leader of Mechanical Engineering in 2018. In 2022, he took on broader responsibilities as Team Leader of Product Management and Application Technology. As of 2024, Lucas serves as Sales Director for Hardness Testing at QATM, where he drives innovation and global growth in materials testing solutions.
